UNIVERSITY OF TORONTO

FACULTY OF APPLIED SCIENCE AND ENGINEERING

TORONTO, CANADA July 12th, 1918.

President Falconer,
University of Toronto, Toronto.

Dear Sir:- While naturally disappointed at not being appointed an Asst. Professor this year there is satisfaction in knowing that my efforts at the University are appreciated by yourself and Professor Angus.

I have accepted the position of Lecturer for another year, and trust that by next year the Board may be able to give me the desired promotion.

Thanking you for your letter, I am,

Yours truly,

L. W. Ardley
